ANNUAL REPORT  
FISCAL YEAR  
2022

# 2022 AND BEYOND

The Sharing Place is excited to announce we have established a third home in Pleasant Grove! Our first Grief Support Group started in February of 2023.

There is a tremendous need for grief support services in Utah County. Currently 15% of our families travel 40 miles or more to reach our Salt Lake City locations. According to the 2021 Childhood Bereavement Model, 1 in 15 children in Utah will experience a death of a parent or sibling by the age of 18. In Utah County, 23.7% of the population are between the ages of youth we serve.

Our new Utah County facility is located at: 487 East 1000 South - Pleasant Grove, UT 84062. We are excited to welcome Tracy Seegmiller to The Sharing Place team, our new Utah County Director!

# DEVELOPMENT

At The Sharing Place we are 100% privately supported. None of this would be possible without you. Thank you to our generous donors for the generosity, faith and support. Here are some highlights from Fiscal Year 2022:

- The Total Number of Donors to The Sharing Place increased in fiscal year '22 by 160%. That is an increase from 243 to 633 donors. This significant increase was due to a greater number of Individuals (116 to 356) responding in Fiscal '22 to direct mail, The Day of the Dead Gala, and additional online and social media giving opportunities. The Number of Current and Closed families who made philanthropic gifts increased as well with an increase from 90 families to 190.
- Total philanthropic giving to The Sharing Place increased from \$252,000 to \$451,000 between fiscal year '21 and fiscal year '22 with the greatest increases from Companies, Individuals and Foundations.
- Despite a virtual Day of The Dead Gala in Fiscal Year '22, the Gala generated the most giving in the history of the event. We raised \$122,828! All of our Sponsors who committed prior to the announcement of the event being virtual remained Sponsors for the Gala despite being virtual. We are so grateful to all of them!
