

The **SHARING** PLACE

Grief Support for Children

ANNUAL REPORT 2021

Dear Friends of The Sharing Place,

As you experienced, it has been a year like no other. COVID changed the way we lived, socialized and worked. It presented many challenges to all of us. And I am proud to share how well we have adapted and responded to these challenges, as well as **grown** at The Sharing Place:

301	86	108	95
Total Families Served	Total Intakes	Volunteers	New Families Placed

- All of our paid staff have remained employed throughout the pandemic.
- In November, we began Zoom calls with our family groups rather than meeting in person at The Sharing Place.
- We were thrilled to continue in-person meetings in March and through the year.
- Since the opening of TSP West (Taylorsville), we have reduced the year end waiting list by 40%.
- During this same time period, we have reduced the intake to placement time for a youth from 6.5 months to 4.9 months.

None of this could have been possible without you, our donors. We are 100% privately supported. And in this challenging year, we were unable to host our annual Day of the Dead Gala, our main fundraising effort in person. However, because of our generous supporters, our virtual event netted us nearly the same amount. Overall, we maintained the amount of gifts we received from the prior year. This is really quite amazing as most not-for-profits had an off year. We take this as a major vote of confidence by you, our donors, in our mission and helping grieving families.

In the coming year, we hope to broaden our impact in the state by adding an additional location. The needs in our state are many and we want to continue to provide our services to as many families as possible. I will share more details as we progress in this venture.

Thank you once again for your generosity, faith and support of The Sharing Place. We make an enormous impact in the lives of our grieving families and community. Thank you for making it possible.

Sincerely,

John T. Gold
